

THE LAKEHEAD AMATEUR RADIO CLUB

April 1953

MONTHLY BULLETIN

The regular meeting of the L A R C will be held April 28th, 1953 at 8 pm at the R.C.A.F. Building, Victoria Ave., Fort William.

We are hoping to have a couple of interesting films on Electronics by Westinghouse and RCA, also a demonstration of a Transistor Receiver by Bill Roberts - VE3ARN.

We would like to complete all arrangements for the annual Field Day at this meeting. We must decide on a location soon and members on charge of equipment and antennas will be asked to report on developments.

It has been proposed that the Club obtain a Heath Kit Grid Dip Meter for general use.

COME WELL HEELED as the 1953 Dues are now in order.

The following is the result of Election:

President	Al Fulton - VE3AKI
Vice President	Ted Dunderdale - VE3BBO
Secretary Treasurer	Peter Boyle - VE3DPJ
Executive	Bert Tamblin - VE3ANP
	Harry Stephens - VE3AIT
	Herman C.G. Dalman - VE3DJD
	Donald G. (Choppy) Walsh - VE3BPZ

A number of the boys are now going in for Six Metre Activity. Bill Roberts - VE3ARN, William Astle - VE3BAS and Bob Mann - VE3AHJ are active now with Hec Wilson - VE3DMZ and Al Fulton - VE3AKI also to be on shortly. We are looking forward to more locals on Six.

Lakehead hams are also going mobile with Bert Tamblin - VE3ANP busy wiring the New Viking Mobile. Hec Wilson - VE3DMZ on with the Elmac and Harry Stephens - VE3AIT and Bill Roberts - VE3ARN installing rigs in their cars.

Look for more short skip from now on, on 10 and 20.

Heard recently - Bob Adams - VE3ASL on 75 phone and Bert Lambert - VE3BKY on 20 phone.

Donald G. (Choppy) Walsh - VE3BPZ worked a ZL on 20 Metres.

Della O'Shea - VE3DMX is heard on her regular skeds on 75 and 40 Metres.

Herman C.G. Dalman - VE3DJD is active on 20, 40 and 75 CW.

DON'T LET THE DUES KEEP YOU AWAY - A GOOD ATTENDANCE IS HOPED FOR.

There is a possibility that we will have OUR OWN Club Room and Club Station shortly.
