

22 October 1959

Lakehead Amateur Radio Club

Meeting called to order in the Civil Defence Building at 8:35 pm. President Harold Dow - VE3DBI in the Chair.

Roll call showed a total of twelve members present.

The minutes of the last meeting were read by the Secretary, Frank Start - VE3AJ. These were adopted as read on motion of Bill Blennerhassett - VE3AGA and seconded by George Lord - VE3BYG.

In the absence of Bill Roberts - VE3ARN, Chairman of the Two Meter Project Committee, a short report was given by the Secretary. This was to the effect that the two meter project remains unchanged from the last meeting. The power supply/modulator and the receiver converter still require completion.

There was some discussion regarding Work Night but the final decision was that no change should be made. The second Tuesday of each month remains as Work Night.

Code practice and an oscillator for same was next on the agenda. It was moved by George Lord - VE3BYG and seconded by Bill Blennerhassett - VE3AGA that arrangements be made for some code practice at the next meeting. Peter Boyle - VE3DPJ to supply the oscillator.

R.O.R. Certificate Chairman, George Lord - VE3BYG, reported that no action had been taken pending his own examination. Les Harris - VE3AYZ reviewed the requirements for an R.O.R. Certificate.

George Lord - VE3BYG spoke regarding the Interference Committee. He suggested this be composed of Harry Stephens - VE3AIT, Bill Roberts - VE3ARN; and Bert Lambert - VE3BKY with Les Harris - VE3AYZ acting in an advisory capacity in arranging procedure.

Demonstration of a Frequency measuring device was made by Bill Roberts - VE3ARN and two meter receiver by J. C. (Jim) Bailey - VE3DGZ.

Technical paper on Reactance was given by George Lord - VE3BYG. This was the first of a series on the subject of Impedance Measurement and Matching.

George Lord - VE3BYG spoke briefly to the members regarding our good fortune in having a friend like Roland Batiston who has so often donated his services and his projector to show the Club moving pictures. He hoped the membership fully appreciated this generous service.

George also brought up the subject of a Ladies Night or dinner meeting. On suggestion of the Chairman further discussion on this subject was postponed until the next meeting.

Meeting adjourned on motion of Steve Bush - VE3EBS, seconded by J. C. (Jim) Bailey - VE3DGZ.
