

No Meeting Auction sale only - 18 April 1963

Lakehead Amateur Radio Club

On April 18/63 we all gathered at the CD Building for our regular meeting and a special auction sale. But, because of an important hockey game on TV the business end of the meeting was deferred to April 26/63 and only the auction sale was held. With Doug Hall - VE3TB as auctioneer many a ham picked up a bargain in wire, tubes, gear and gadgets.
