

General Meeting - 17 October 1963

Lakehead Amateur Radio Club

A roll call revealed 23 members present and visitors, VE4DW and VE5AY.

The minutes of the previous meeting were read. These were passed for adoption on motion of Don Brown - VE3EDJ, seconded by Frank Start - VE3AJ.

Our Emergency Coordinator, Bev Biggs - VE3ECA, had asked Dave Kimpton - VE3AVS to look after mobile communications and Don Hudson - VE3DZJ fixed station equipment. Bev is also going to send each member a letter with list of available gear.

Roy Lindenhoff - VE3EEG, our President, received a letter from Art Widnall requesting a representative from the Club for EMO. Les Harris - VE3AYZ and Bev Biggs - VE3ECA were nominated by Bill Blennerhassett - VE3AGA and seconded by Roy Lindenhoff - VE3EEG. Les Harris - VE3AYZ accepted. Bev Biggs - VE3ECA was unable to attend this meeting. Bev, we hope you accept this position.

A discussion followed about our meeting place. Bill Blennerhassett - VE3AGA recalled that we were originally given the Radio Room, then we graduated to the adjacent room but apparently nothing is on paper. It was moved by Don Brown - VE3EDJ and seconded by Dave Kimpton - VE3AVS that a letter be written to Mr. Widnall regarding our meeting room.

Motion to adjourn the business end of the meeting was made by J. C. (Jim) Bailey - VE3DGZ and seconded by Hans R. Dornbusch - VE3EEN.

Slides were then shown by Dave Kimpton - VE3AVS of VE8 land, coffee and doughnuts followed.
