

?? February 1966

Lakehead Amateur Radio Club

Attendance numbered 20 at the February meeting of the L.A.R.C. It was nice to see: Bert Lambert - VE3BKY, Jim "JC" Bailey - VE3DGZ, Frank Start - VE3AJ, George Lord - VE3BYG, Charlie Lawrence - VE3EEK, Keith Fiske - VE3JQ; and Ernie Withers - VE3EFO in attendance along with the old regulars.

Discussions centred on preparations for the L.A.R.C. annual banquet.

The L.A.R.C. approved purchase of subscriptions to 73 Magazine and QST.

Les Harris - VE3AYZ demonstrated his KWM-2 transceiver, PTO speaker, directional wattmeter, phone patch console and 516F-2 AC supply.

Frank Start - VE3AJ brought along some interesting early radio gear to contrast with the KWM-2 SSB rig.
