

12 April 1966

Lakehead Amateur Radio Club

About 20 Lakehead amateurs turned up at the April 12th meeting of the Lakehead Amateur Radio Club in the Civil Defence Building on Waterloo Street.

The elections for new officers for 1966 to 1967 were advanced to the May meeting so that more attention could be given Field Day at the June Meeting. A Field Day Group was formed of Reg Corbett, Barrie Walker - VE3EES, Bill Klemacki - VE3EEW and Jim Symonik - VE3EDA. QTH appears to be Sibley Park or Mount Baldy.

EMO Coordinator, Art Widnall, attended the April meeting and asked us to postpone the planned L.A.R.C. Emergency Communications Exercise because of the proximity of the Winnipeg flood situation. It was felt any exercise might cause "panic" if heard in the Winnipeg area via 75 Metres.

The Secretary-treasurer outlined the L.A.R.C. financial position after a some-what "shaky" annual banquet.
