

Field Day June 1966

Lakehead Amateur Radio Club

The June 1966 Field Day was held at the Frank Start (VE3AJ) property on Government Road June 26th. Antenna had been erected the week before. A work party consisting of:

Robert Browning - VE3EEM,

Barrie Walker - VE3EES,

Jim Symonik - VE3EDA,

Bill Klemacki - VE3EEW, and

Frank Start - VE3AJ managed dipoles for 80 and 40 plus a 20 metre quad.

Tents were set up in the afternoon of June 26th.

Equipment consisted of SB 400, 2B, HAI Keyer, HX 10, 75a-4 and an Eico 735. Power was supplied by THUNDER BAY EMO generator.

Point total for the 24 hour FD was 2600, about double from the year previous.
