

12 November 1970

Lakehead Amateur Radio Club

The November meeting of the Lakehead Amateur Radio Club was held on November 12, 1970 at the EMO Building, Waterloo St. commencing at 8:10 pm. President Les Harris - VE3AYZ was in the Chair.

There were 17 members present.

Dr. George Clark - VE3ER, the speaker for the evening was introduced by the President.

The minutes of the previous meeting were read and accepted on a motion by Ray Forslund - VE3EDZ and seconded by Dave Bush - VE3EDG.

There being only a few pieces of minor correspondence, these were disposed of.

The Treasurer's report by Bill Klemacki - VE3EEW indicated no report from the bank as yet, but a tentative report gave approximately \$100.00 in the bank with a few more memberships to be renewed.

Ray Forslund - VE3EDZ gave a report on publicity and Peter Boyle - VE3DPJ reported of membership.

Five of our newer members indicated as interest in attending a course for the license. On a motion by Ray Forslund - VE3EDZ, it was decided to hold further discussions regarding any course at the December meeting when more information may be available. This was seconded by Jim Gain.

The subject of a dinner meeting, which was an annual feature of the Lakehead Amateur Radio Club was revived. Vic Bel - VE3ECV reported that he had been in touch with the Royal Edward Hotel and said prices varied from \$3.75 for steak to \$1.00 for sandwiches. On a motion by Jack Trimble - VE3GOH and seconded by Frank Start - VE3AJ, it was decided that roast beef at \$3.25 would be preferred.

The guest speaker, Dr. George Clark - VE3ER was then introduced by Les Harris - VE3AYZ and George proceeded to give us a very interesting and informative talk on bio-electronics and telemetry. Slides and working pieces of equipment were used by George to illustrate the various facets of this relatively new form of electronics as well as some details on electronic bugs.

Ray Forslund - VE3EDZ thanked George for taking this time out with us from his busy schedule.

Meeting adjourned at 10:10 pm for coffee and doughnuts.
