

GENERAL MEETING MARCH 9, 1972

The monthly meeting of the Lakehead Amateur Radio Club was held on March 9 starting at 8:10 P.M.

Present were 17 members and friends with President Vic Bel in the chair.

Following the usual roll-call with its usual interesting comments, the minutes were read and adopted on a motion by VE3EEG. Carried.

The financial report indicated a bank balance of \$112.10, no change in the past month. Postage for High-Q (\$6.00) was paid out of cash and Mass cards for VE3FW and mailing labels via VE3ECV was paid out of cash (\$7.19). The Box rental was also due and would be paid out of cash, the reason being the charge by the bank on Current Accounts. On a motion by VE3EEG, the Financial Report was adopted as read. Carried.

On a motion by VE3EFI, it was moved that the Club send in the Action Committee petition to the local MPPs VE3AYZ was opposed.

Due to a lack of interest of the membership, Club participation in the R.S.O. exercise in the weekend of the 11th was cancelled.

In further discussion on the Action Committee petitions to all Ontario Amateurs, VE3AYZ felt that it wasn't proper that there was no mention of any Calls or names in the information that was provided. It was felt that little was known about this group except that it was well financed.

VE3AYZ read a letter from E.A. Fallen, dated October 15, that thanked the Club for its co-ordination with the Search and Rescue Unit in checking flood conditions on the Current River the previous May.

VE3ECV started a discussion on the HW-12A and what its status was with regards to being on loan to members. The general consensus was that it should remain available, but at the same time members should not be barred from using it away from VE3ZCD.

At 8:55 the business portion adjourned and everyone left for the Confederation College and a tour of the Electronic labs.

W. K. Klemacki VE3EEW
Sec./Treasurer
