

LARC General Meeting

December 12, 1975

The meeting was called to order at 8:00 pm by President Pat Doherty - VE3HFS.

The minutes and financial statement were read and adopted on motion by Bill Klemacki - VE3EEW, seconded by Bill Unger - VE3EFC.

Bill Klemacki - VE3EEW told us that in about one month's time we should be able to see a station break slide depicting ham radio on the local TV channels.

Les Harris - VE3AYZ let us know that he thinks chances are slim of the club getting Old Fort William QSL cards.

In New Business, Frank Start - VE3AJ suggested that a record of each member's QSL and a shack picture be put on display in the club's radio room.

Les Harris - VE3AYZ suggested a club Christmas project be sending season's greetings traffic for residents of local senior citizen's homes. Dates were arranged for when members would go to homes to gather messages for transport, all via ham radio.

It was decided by the membership that a possible program presented on channel 7 be left until CKPR-TV presents their program on the topic, "What is Ham Radio?"

Pat Doherty - VE3HFS also announced that the annual dinner meeting will be held at the Royal Edward Hotel at a cost of \$7.00 per person excluding drinks. The date is set as February 12, 1976.

It was also brought to our attention by Bill Unger - VE3EFC and Bill Klemacki - VE3EEW that the printing of Hi-Q has been cut off by the EMO. Pat Doherty - VE3HFS had "volunteered" to have the bulletin printed at his office.

The mail was read, including a letter from CARF prompting clubs to join. It was decided that the club will join CARF and we encourage all individuals to join the Federation as well.

The Meeting was closed at 9:20 pm on motions of Phil Moorey - VE3AXL and Bill Unger - VE3EFC.

Bank statement balance: \$145.??.
