

Regular Meeting

March 10, 1977

Lakehead Amateur Radio Club

*Copied from April 1997 High-Q, Bill Unger -
VE3EFC Editor.*

The meeting was started at 8:09 pm on March 10/77 with John Visser - VE3HTM doing the Chairman's duties, the minutes (*of the last meeting*) were then read and adopted as read.

Bill Klemacki - VE3EEW then asked about the Heathkit mic. for the Club's HW-100, he was then asked to order one for the Club and give the details to the Secretary.

Bill Boland - VE3BQR then gave a short report on the CNIB classes and noted that they were progressing well, some were having trouble with the code but their speed should soon be up to par.

The LARC postal box fees are now due and it was motioned to continue the box rental for another year.

John Visser - VE3HTM then asked if anyone would consider taking the NCS duties for Tuesday evenings on the NWOPN on 3750 kHz.

A brief discussion then followed as to whether the present Secretary should be asked to resign due to her absence from the meetings due to other commitments. John Visser - VE3HTM was asked by the membership to pick up the books and explain this to her. Greg Zobatar - VE3HPT then volunteered to act as recording Secretary for the rest of the year.

Phil Moorey - VE3AXL then explained that the hospitals will install 2 Metre antennas for emergency communications if the Club will install them and check them for proper operation on a time to time basis. The LARC agreed to go ahead with this project.

Last but not least John Visser - VE3HTM then advised the members about the meeting on Friday evening March 11 at Hillcrest High School to acquaint people with ham radio. Arnold Chambers - VE3JAA then advised where to enter the school and the procedure for the evening.

The meeting was then adjourned.
