

CANADIAN LAKEHEAD WIRELESS EXPERIMENTERS

Meeting, June 25th, 1936

A dinner meeting of the Radio Club was held in the Y.M.C.A. with a fair attendance of members.

The minutes were read and adopted on a motion of P.J. O'Shea which was seconded by D. Arthur and carried.

A general discussion then followed of the proposed trip to Hydro and it was decided that the committee appointed at the last meeting take full charge of the arrangements.

It was then moved by D. Arthur and seconded by Wm. Blennerhassett that the meeting be adjourned and the motion was carried.
