

Lakehead Radio Club

May 18th, 1939.

At the annual Spring meeting it was decided to change the Club name from CANADIAN LAKEHEAD WIRELESS EXPERIMENTERS to Lakehead Radio Club. The new slate of officers consist of the following:

President:	Bruce Grant	VE3SJ
Vice-President	Roddy Grant	VE3AML
Secretary-Treasurer	Miss Ena Cummings	VE3APE

No definite plans have been set yet for the annual picnic but tentative dates set are July 9th or 16th. The Lakehead Club extend a hearty welcome to all visiting hams from outside and would like to hear from them re the annual picnic. Further plans will be forwarded when decided on.

As a good many of the local hams will be away this summer on Forestry duty, etc., no date was set for the next meeting and it was decided to disband till the picnic.
