

LAKEHEAD AMATEUR RADIO CLUB

May 1954¹

The next regular meeting of the Lakehead Amateur Radio Club will be held in the Club Rooms, Court House Building, Donald Street, Fort William on Tuesday evening May 25th at 8 pm.

Now is spring cleaning time, so if anyone has anything to sell or swap, bring same to this meeting.

Ted Dunderdale - VE3BBO has made a very special plea that the turnout be 100%, as he wishes willing hands to help get the Civil Defence equipment into the Club Rooms.

Election of officers will be held at this meeting so we expect all members to be out to take part in this very important function in this or any Club.

¹Note: A hand written note on the original typed document indicates the year 1953. In 1953, May 25 occurred on a Monday. May 25 did fall on a Tuesday in 1954. I changed the year to read 1954 so that the date and weekday stated correctly relate one to the other. Jim O'Brien - VE3UA, April 16, 1996.
