

18 June 1959

Lakehead Amateur Radio Club

Meeting called to order at the Fort William, Civil Defence Building 8:30 pm. Harold Dow - VE3DBI in the Chair.

Twelve members on hand.

Minutes of the last meeting were read by the Secretary, Frank Start - VE3AJ.

Field Day. Frank Start - VE3AJ reported that the Kakabeka Falls site was not available.

Bob Adams - VE3ASL reported finding two possible locations near Murillo.

Moved by George Lord - VE3BYG that one of these sites be used with Bob Adams - VE3ASL to arrange same and notify the Secretary.

The Field Day advance part to consist of:

Bob Adams - VE3ASL,                      Bill Roberts - VE3ARN; and  
George Lord - VE3BYG,                      Ted May.

Those participating to arrange their own food. The sum of \$8.50 to be expended for refreshments, this was moved by Ted May and seconded by Bob Adams - VE3ASL.

It was also suggested and moved by Les Harris - VE3AYZ and seconded by Ted May that a log be kept of the hours of operation of the power plant and the gasoline consumption. Bill Roberts - VE3ARN was delegated to look after the gas engine generator.

On hand:

Bob Adams - VE3ASL,                      Les Harris - VE3AYZ,  
Leo Immonen - VE3EDE,                      George Lord - VE3BYG,  
Frank Start - VE3AJ,                      Bob Nash - VE3BHS,
