

General Meeting

10 February 1972

Lakehead Amateur Radio Club

The monthly meeting of the Lakehead Amateur Radio Club got underway at 8:30 pm on February 10, 1972. James Roberts - VE3EDC was acting chairman in the absence of the President and Vice President. There were 20 members and friends present.

During roll call, Jim Wheeler - VE3EEG introduced Don Ferguson of the CNIB who was attending as an interested observer.

The minutes of the previous meeting were read and adopted on a motion by Ray Forslund - VE3EDZ. Carried.

The financial report showed a band balance of \$112.10 as of January 12, with no outstanding bills. Motion to adopt by Jim Wheeler - VE3EEG. Carried.

The Secretary raised the matter of the Club affiliating with the Radio Society of Ontario, mentioning that there was no charge, and no difficult requirements for affiliation. On a motion by Frank Start - VE3AJ, it was moved that we apply for affiliation with the RSO. Carried.

Regarding the license plate business, Bill Klemacki - VE3EEW mentioned that there had been no reply from Nortopics with regard to re-printing the petition as shown in the January issue of Nortopics. However, the RSO had released more information, saying that a blitz of Members of Parliament might get quicker results. The question was put to the floor on printing a petition in High-Q for the March edition and it was the unanimous opinion that the Editor be authorized to print another version of the petition.

Don Ferguson asked about information for the licensing of the Blind, and as there was very little info available at the moment, Jim Roberts - VE3EDC volunteered to find out from the local Radio Inspector.

A short discussion on IRC's and a few were on display for those that had never even heard of such an animal.

On a motion by Villy Madsen - VE3GHO, the meeting adjourned at 10:00 pm for coffee and doughnuts.
