

General Meeting

January 11, 1973

At 8.10 pm. General meeting of the L.A.R.C. called to order by President Ray Forslund - VE3EDZ in the Chair.

A roll call showed an attendance of 16 inclusive of members, guests and delinquents.

The minutes of the previous meeting were read and adopted on motion of Fred Prins, seconded by Bill Klemacki - VE3EEW.

A letter from the ARRL Section Communication Manager (SOM) was read by Chairman Forslund calling for a volunteer to take over the position of E.C. (Emergency co-ordinator) for the area. There was no immediate response to this call. The coming SET (Simulated Emergency Test) is scheduled for Jan 27 & 28 which does not leave much time for organization for this area.

At 9.30 pm the meeting was adjourned for moving pictures. The first of "Hawaii". No record of how many members have signed up for a trip. The second film was a first for the Lakehead. The new amateur film produced by Dr Ted Sparrow VE3BQN and called "Fine Business" proved to be a very well made film. It has been produced for amateur radio publicity.

The meeting closed at 10.15 for coffee and rag-chew.
