

Meeting called to order at 8:15 by the acting chairman, Vice President, Phil Moorey - VE3AXL.

Visitors were welcomed by the Chairman and he also congratulated Pat Doherty - VE3HFS and Gary Spence for having successfully completed their examinations at the D.O.C. office.

Roll call showed a total of 25. 9 Full members, 9 associate and 7 visitors.

Minutes of the previous meeting were read by the Secretary accepted on motion of Les Harris - VE3AYZ and Don Vester - VE3GOE.

A letter was read by the Sec. from RSO regarding a visit from George Davis - VE3BBW. A reply has been sent indicating that a meeting is being arranged at the EMO building May 30 8.00 pm.

Letters have been sent thanking the firms who contributed articles to use as door prizes at the Anniversary dinner.

Phil Moorey - VE3AXL reported re arrangements being made for members to meet at the Legion building on May St. 9 am to assist in the Annual road race.

The Secretary Frank Start - VE3AJ read a note of congratulation to the L.A.R.C. from the Lakehead Search and Rescue on the Club's fortieth anniversary. This appeared in the S & R monthly bulletin "The Tracker".

Emergency Co-Ordinator Phil Moorey - VE3AXL reported a good turn out on the evening of May 2nd when an Emergency Callout was made about 7 pm. All members called appeared at the designated place in good time.

A field Day committee was formed with Phil Moorey - VE3AXL Bill Unger - VE3EFC and Carl Wikander. There was some discussion re the site to be used. A new one was suggested by Steve Seaman which aroused some interest but a vote was taken and the old site was chosen. The committee will organize and report at the next meeting.

Don MacKay - VE3GST reported on the repeater. The equipment is about ready for trials but application for license has brought up new difficulties. Don brought along two VHF rigs, one Marconi

DT45 and one Motorola and is looking for bids.

On motion of Bill Klemacki - VE3EEW and Don Vester - VE3GOE the meeting adjourned about 10:40. for coffee and doughnuts. Followed by slides of several previous Field Days. Projectionist Bill Klemacki - VE3EEW.
