

LARC Executive Meeting

October 14, 1975

The first executive meeting of the new executive got underway at 8:00 pm in the N. M. Patterson Board Boordue to the fact that the Power Squadron had the use of the EMO that evening.

The general topic of discussion was the content of future general meetings.

From this discussion the following meeting schedule has been set up:

Nov. 1975	Hydro Thermal Plant Tour
Dec. 1975	Thunder Bay Comm. - Rig Clinic
Jan. 1976	Open
Feb. 1976	Dinner Meeting
Mar. 1976	Open
Apr. 1976	Open (Oscar 7 demonstration)
May 1976	Theory Quiz & preliminary Field Day
June 1976	Field Day

In addition, tours could be set up with McLean-Hunter and CKPR-TV.

A possible club project might be a phone patch.

We discussed the possible availability of grants from various sources for the benefit of the club station.

Mention was also made of constructing a record of all local hams (members) which would include a picture of the ham standing (sitting) in his shack.

Meeting adjourned at 9:30.
